COPY OF THE CITATION FOR  
**LAURA G. FITZGERALD**

As read at Town Meeting March 8, 1966

*To Laura G. Fitzgerald, our esteemed Town Clerk, who, after twenty-seven years of outstanding service, leaves office because of illness we extend thanks for those years.*

*With pleasant greetings and good humor, you have carefully and with conscientious attention to detail seen us through births, marriages and deaths, have legalized our dogs, have diligently recorded and kept our records and after a long day dealing with the traveling requirements of a fickle public have still had the energy and sense of humor to deal with our capriciousness in the last minute automobile registrations and marriage intentions.*

*To you, Laura, we all wish the best of luck, health and happiness.*

*Signed:*

## MT. CAESAR UNION LIBRARY

---

### Librarians Report

To improve library service to the community several important steps have been taken by Mt. Caesar Union Library toward adopting the standards set for the affiliated libraries of the State Library System. In 1965 a written, general statement of policy for library procedure was adopted by the Board of Trustees, and in 1966 a written, book selection policy was incorporated in the general policy. Courses in cataloging, classification and book selection, offered under the direction of the State Library, were completed by the librarian. Since November 1965, the Library has been open each Tuesday as well as each Thursday from 2:30-4:30 P.M. and 6:30-9:00 P.M. With these additional library hours has come a substantial increase in circulation—9,899 books circulated in 1966 as against 7,784 in 1965—an increase of 2,115 books. Since 1962, when the library was open only on Thursday evenings and circulation was 5,357 books for that year, the number of books being borrowed has almost doubled. All the residents of Swanzey may use the services of the Library.

Library Week in April was observed with a visit to the Library and a story hour for grades 1 through 3 from Mt. Caesar School.

Several monetary gifts have been received for the purchase of memorial books. We are grateful for all these gifts for we think books are fitting and lasting memorials. These gifts also make it possible to enlarge our collection of books making it more useful and interesting for all.

RUTH PALM,  
Librarian

## FIRE RECORD

Fire records are made by people — those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966.)

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.
2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us; (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres — a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 A.M. and 5:00 P.M. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.
2. Be sure all discarded smoking material is out.
3. Don't leave a live camp or cooking fire.
4. Most important — Instruct your children that matches are not play things.
